Are You Ready for the Online Teaching Institute?

The following questions are designed as a self-assessment. It is recommended that you have experience with Blackboard (Bb) and WebEx before participating in the OTI.

**Blackboard**

Do you know how to...
- use the Bb grade center?
- create an assignment that students can submit to you via Blackboard?
- use the discussion board to facilitate a class wide conversation?

**WebEx**

Do you know how to...
- log in and participate in a meeting via WebEx?
- host a meeting via WebEx?
- use the breakout function for discussion?

If you answered “no” to any of the questions above, it is recommended that you attend a training (on either Blackboard or WebEx as appropriate) through the [Instructional Support Center](mailto:instructional-support-center@temple.edu) prior to participating in the OTI.

If you have additional questions please contact the TLC at [tlc@temple.edu](mailto:tlc@temple.edu)
